REFERENCE TO THE VARIOUS SERVICES RENDERED BY THE ASSOCIATION TO ITS MEMBERS

Besides publishing a journal and issuing a NEWSLETTER several times a year — the latter being a source of information on current news and trends in the teaching of foreign languages, of German in particular — the Association is ready to extend effective support to its members relative to the needs in the classroom and to professional interests and activities. You are welcome to ask the colleague in charge of each one of the services listed below for information at any time.

SERVICE BUREAU

GLENN E. WAAS, *Dept. of German, Colgate University, Hamilton, N.Y.*

For the purpose of making classroom instruction substantial and effective, the resources of the Bureau have been built up and its facilities greatly expanded by the acquisition of a variety of teaching aids, such as books, slides, films, maps, tapes. Items are available on a loan basis in general, with charges for postage and packing only. Some of the aids are free for distribution. Lists on teaching aids have been compiled and are obtainable upon request.

TEACHER PLACEMENT BUREAU

JOSEPH R. REICHARD, *Dept. of German and Russian, Oberlin College Oberlin, Ohio.*

Members, who are seeking positions or wish to make a change in school affiliation, may register with the Bureau for a nominal fee (see special advertisement in this issue. p. xviii).

FLES PROMOTION COMMITTEE

GERRIT MEMMING, *Dept. of German, Albright College, Reading, Pa.*

Promotion of the study of German in the elementary schools is the special task of this committee. A statement of *Practical Suggestions* to elementary school teachers is obtainable upon request. Syllabi for Grades Three and Four — MLA Teacher's Guides — have been completed and published (see special advertisement in this issue, p. xix).

GERMAN TESTS

ALBERT SCHOLZ, *Dept. of Germanic Languages, Syracuse University, Syracuse* 10, *N.Y.*

The two forms of tests — *Lower Level* for 2 years of high school German or 1 year college, and *Higher Level* for 4 years of high school German or 2 years college — have been in use since May, 1960. The tests were devised for the purpose of establishing criteria of accomplishments in order to achieve maximum results in German instruction. Test booklets are obtainable, per unit of five each level, at a nominal charge.

NATIONAL GERMAN CONTEST

KARL S. WEIMAR, *Dept. of German, Brown University, Providence 12, R.I.*

With certain restrictions directed toward those having had advantages in the study of German which would preclude competing on an equal basis with others at the same level, top-ranking students in the 2nd, 3rd, and 4th year of German at schools on the secondary level — public, private, and parochial — may participate. The administration and general supervision of the contest is in the hands of chairmen in geographical districts which, in general, comprise the territories covered by the AATG chapters, but which also make provision for those states where the Association is not represented chapterwise.

The contest was held for the first time in the spring of 1960. Information regarding the nature of the examinations at the various levels with regard to the third contest, which will be held in the spring of 1962, will be published in the November, 1961, issue of THE GERMAN QUARTERLY.

"The National Association of Secondary-School Principals has placed this Contest on the Approved List of National Contests and Activities for 1961-62."

CERTIFICATE OF MERIT

MRS. MYRTLE ROGNEBAKKE, *Modern Foreign Language Dept., Wauwatosa Senior High School, Wauwatosa 13, Wis.*

This certificate may be awarded in a two-year, three-year, or four-year course in German to students who by diligence and application excel in their studies (for details, see special advertisement in this issue, p. xxi).

STATISTICS OF INTEREST TO MEMBERS

1. AMERICAN ASSOCIATION OF TEACHERS OF GERMAN

Early History of the AATG (1926-31) — by Sol Liptzin

THE GERMAN QUARTERLY, Vol. XII, No. 1 (January. 1939); p. 20-23.

The American Association of Teachers of German — by Camillo von Klenze

THE GERMAN QUARTERLY, Vol. I, No. 1 (January, 1928); p. 3-6.

A meeting of the teachers of German at the Metropolitan area on December 18, 1926, at Columbia University, was followed by a second meeting on February 19, 1927. Those assembled on February 19th

"adopted a provisional constitution, to be in force until a national convention would be in a position to adopt a permanent one."

A permanent constitution [see THE GERMAN QUARTERLY Vol. IV, No. 4 (November, 1931), p. 198-201] was adopted at the meeting at Madison, Wisconsin, on December 29, 1931. For the minutes of this meeting, refer to THE GERMAN QUARTERLY, Vol. V No. 2 (March, 1932), p. 93-95. In the course of the years, the constitution was amended and re-written several times, approved and published (compare the following issues of the journal: January, 1939; November, 1939; May, 1940; May, 1941; January, 1944; May, 1951; March, 1957). We shall be to blame in the future if we cannot show that we have something worthwhile to say in the cause of education." [Bagster-Collins: Vol. I, No. 1 (January, 1928); p. 1]
